Adoption of the Amendment

Accordingly, pursuant to the authority delegated to me, by the Administrator, Subpart G of Part 71, § 71.181, of the Federal Aviation Regulations (14 CFR Part 71) as republished in Advisory Circular AC 70-3A dated January 3, 1983, is amended, effective 0901 G.M.T., November 24, 1983, as follows:

El Campo, TX [Revised]

That airspace extending upwards from 700 feet above the surface within a 5-mile radius of the El Campo Metro Airport (latitude 29°10'15" N., longitude 96°19'17" W.), and 2.5 miles each side of 180° and 358° bearing of the airport extending from the 5-mile radius to 9.5 miles south and 16 miles north; and within 3 miles each side of the 184° bearing from the El Campo NDB (latitude 29°10'35" N., longitude 96°19'11" W.), extending from the 5-mile radius area to 8.5 miles south of the NDB.

Note.—The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore—(1) is not a "major rule" under Executive Order 12291; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is

a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This amendment realigns VOR Federal Airway V-412 located in the vicinity of Redwood Falls, MN. BILLING CODE 4910-13-M

FEDERAL TRADE COMMISSION

16 CFR Part 453

Trade Regulation Rule; Funeral Industry Practices

AGENCY: Federal Trade Commission.

ACTION: Change in effective date of portions of final trade regulation rule.

SUMMARY: The effective date of certain sections of the Federal Trade Commission's Trade Regulation Rule for Funeral Industry Practices (47 FR 42260 (1982)) is being changed to April 30, 1984, in response to petitions from interested parties.

ADDRESS: Office of the Secretary, Federal Trade Commission, 6th Street and Pennsylvania Avenue, NW., Washington, D.C. 20580. Requests for

copies of the Funeral Rule should be sent to the Public Reference Branch, Room 130.

FOR FURTHER INFORMATION CONTACT: Lewis Rose, Division of Enforcement, Bureau of Consumer Protection, Federal Trade Commission, Washington, D.C. 20580 (202) 376-3478.

SUPPLEMENTARY INFORMATION: On September 24, 1982, the Commission published in the *Federal Register* a final Trade Regulation Rule for Funeral Industry Practices, 16 CFR Part 453.¹ Thereafter the Rule was subject to Congressional review, which terminated on May 15, 1983, with neither House of Congress having passed a resolution of disapproval. On June 6, 1983, the Commission established an effective date for the Rule of January 1, 1984.²

On August 31, 1983, counsel for the Greater Cincinnati Funeral Service Association, Inc. filed a petition with the Federal Trade Commission requesting that the effective date of portions of the Funeral Industry Trade Regulation Rule be further postponed, to a date following the decision by the United States Circuit Court of Appeals for the Fourth Circuit in *Harry & Bryant Co. et al. v. FTC*, Nos. 82-1850(L) etc., a proceeding to review the Funeral Rule.³ On September 9, counsel for National Selected Morticians and other parties in the Fourth Circuit filed a similar petition.⁴

Having considered the petitions, the Commission has determined, pursuant to Section 705 of the Administrative Procedure Act,⁵ to extend the effective date of portions of the Rule until April 30, 1984. Those parts subject to the extension of the effective date relate generally to the itemized price list and required disclosures thereon.⁶ Those parts of the rule that prohibit misrepresentations will go into effect on January 1, 1984 as previously determined.⁷

In granting this extension, the Commission is not required to apply the legal standards that govern requests for judicial stays pending appeal, including the requirement that a substantial likelihood of success on the

merits be shown. The Commission does not believe such a showing has been made here. However, the Commission after applying the standards of equity has concluded that a limited further extension of the effective date of portions of the Rule is appropriate in light of the good faith efforts of requestor trade associations to make plans for compliance with the rule by their membership in the event the rule is sustained, while at the same time exercising their right to challenge the rule in court. A limited extension of time until April 30, 1984 will enable petitioners to begin printing the forms necessary for compliance after the Fourth Circuit has had substantial time to consider their petition for review, thus minimizing the necessity to print forms twice should any alteration at all be ordered to the Rule by the Court.

These equitable considerations, however, do not apply to those portions of the Rule requiring only that funeral industry members refrain from specified misrepresentations. There is no equitable reason why the effective date of these provisions be extended, nor have petitioners asked that it be. Accordingly, these provisions of the Rule will take effect on January 1, 1984, as previously scheduled.

List of Subjects in 16 CFR Part 453

Funerals, Trade practices.

PART 453—[AMENDED]

Therefore, the Commission is extending until April 30, 1984, the effective date for these parts of the Rule: Sections 453.2, 453.3(a)(1)(ii), 453.3(a)(2)(ii), 453.3(b)(2), 453.3(c)(1)(ii), 453.3(c)(2), 453.3(d)(2), 453.3(f)(1)(ii), 453.3(f)(2), 453.4, 453.5, 453.6, 453.7, and 453.10.

By direction of the Commission.

Secretary.

DEPARTMENT OF THE TREASURY

Customs Service

19 CFR Parts 101 and 103

[T.D. 83-209]

Customs Service Field Organization; Regional Structure

AGENCY: Customs Service, Treasury.

ACTION: Final rule.

SUMMARY: This document amends the Customs Regulations to reflect the

current Customs Service field organization. A complete and up-to-date listing of the regional structure with the districts and posts of entry within each district is being provided for the information of all interested persons. The document will have no effect on service provided by Customs. It reflects changes that were made by previous documents, and also reflects the transfer of five northwestern Florida ports from the Mobile District in the South Central Region to the Tampa District in the Southeast Region.

EFFECTIVE DATE: October 1, 1983.

FOR FURTHER INFORMATION CONTACT:

Jean Sammon, Management Analysis and Systems Division, U.S. Customs Service, 1301 Constitution Avenue, NW., Washington, D.C. 20229 (202-566-8384).

SUPPLEMENTARY INFORMATION:

Background

The Customs Service, an agency under the Department of the Treasury, has its headquarters in Washington, D.C., and is headed by a Commissioner of Customs. The field organization presently consists of seven geographical regions further divided into districts, with ports of entry within each district. These organizational elements are headed by regional commissioners, district directors (or area directors in the case of the New York Region), and port directors. The seven regions and the headquarters city and state of each are as follows:

Northeast Region—Boston,

Massachusetts

New York Region—New York, New York

Southeast Region—Miami, Florida

South Central Region—New Orleans, Louisiana

Southwest Region—Houston, Texas

Pacific Region—Los Angeles, California

North Central Region—Chicago, Illinois

Since the establishment of the existing regional structure in 1965, several Customs studies and a General Accounting Office audit have indicated that the number of regions should be reduced. In concert with these studies, Customs and the Treasury Department determined that reducing the field structure from the nine regions which existed since 1965 to seven regions would achieve an effective balance between the need to economize through reduced staffing and the implementation of a regional structure that will ensure effective operations, administrative support, and manageable spans of control.

Accordingly, by Department of the Treasury Order number 165-24, dated

¹ 47 FR 42280 [September 24, 1982].

² 48 FR 25174 [June 6, 1983].

³ The petition has been placed on the public record and is identified as Document XXI-1 in FTC File No. 215-43.

⁴ Document No. XXI-2 in FTC File No. 215-43.

⁵ 5 U.S.C. Section 705.

⁶ Sections subject to the extension of effective date are §§ 453.2, 453.3(a)(1)(ii), 453.3(a)(2)(ii), 453.3(b)(2), 453.3(c)(1)(ii), 453.3(c)(2), 453.3(d)(2), 453.3(f)(1)(ii), 453.3(f)(2), 453.4, 453.5, 453.6, 453.7, and 453.10.

⁷ Sections not subject to the extension of effective date are §§ 453.1 (definitions), 453.3(a)(1)(i), 453.3(a)(2)(i), 453.3(b)(1), 453.3(c)(1)(i), 453.3(d)(1), 453.3(e), 453.3(f)(1)(i), 453.8, and 453.9.

June 18, 1982, which was published in the *Federal Register* on June 25, 1982, as T.D. 82-118 (47 FR 27655), effective September 30, 1982, the Customs regional management structure was reorganized from nine to seven regions. The Boston and Baltimore Regions were combined into a consolidated Northeast Region to handle all northeast seaport activities excluding New York. New York remained as a separate region to permit management to devote exclusive attention to an area of the United States that leads Customs in nearly all workload categories. Further, this has ensured nationwide uniformity in the processing of merchandise through the Customs National Import Specialists and the Customs Information Exchange, both located in New York.

The Los Angeles and San Francisco Regions were combined into a consolidated Pacific Region that handles all significant west coast commercial and enforcement activity.

In addition to the changes made by reducing the regional field structure, by T.D. 83-125, published in the *Federal Register* on June 6, 1983 (48 FR 25180), the Norfolk, Virginia, and Washington, D.C., Districts became part of the Southeast Region; the Nogales, Arizona, District became part of the Southwest Region; and the Great Falls, Montana, District became part of the North Central Region. Also, the boundaries of the Great Falls, Montana, District were redefined to include the States of Utah, formerly part of the San Francisco, California, District, and Colorado, formerly part of the El Paso, Texas, District.

This document also reflects the transfer of five northwestern Florida ports (Apalachicola, Carrabelle, Panama City, Pensacola, and Port St. Joe) from the Mobile District in the South Central Region to the Tampa District in the Southeast Region. This change is consistent with Customs policy of aligning Customs districts with state lines as much as possible.

Accordingly, to reflect these changes it is necessary to amend the list of Customs regions, districts, and ports of

entry set forth in § 101.3(b), Customs Regulations (19 CFR 101.3(b)).

Changes to the Customs field organization are made under the authority vested in the President by section 1 of the Act of August 1, 1914, 39 Stat. 623, as amended (19 U.S.C. 2), and delegated to the Secretary of the Treasury by Executive Order No. 10289, September 17, 1951 (3 CFR, 1949-1953 Comp., Ch. II). The Secretary of the Treasury, by Treasury Department Order No. 101-5 (47 FR 2449), has delegated certain authority over the Customs Service to the Assistant Secretary (Enforcement and Operations). Because this authority includes making changes to the Customs field organization, section 101.3(a), Customs Regulations (19 CFR 101.3(a)), must be amended by substituting "Assistant Secretary (Enforcement and Operations)" for "Under Secretary of the Treasury".

The list in § 103.1, Customs Regulations (19 CFR 103.1), of public reading rooms or areas at Customs Headquarters and in each region where material is required to be made available under 5 U.S.C. 552(a)(2) and Part 103, Customs Regulations (19 CFR Part 103), also is being amended by this document to reflect the current field structure.

Notice, Public Procedure, and Delayed Effective Date Unnecessary

Because these amendments are rules of agency organization, pursuant to 5 U.S.C. 553(b)(B), notice and public procedure are unnecessary. Because the amendments update the Customs Regulations to reflect Customs current field organization, pursuant to 5 U.S.C. 553(d)(3), a delayed effective date is not required.

Executive Order 12291

Because this rule relates to the organization of the Customs Service it is not a regulation or rule subject to Executive Order 12291, pursuant to section 1(a)(3) of that Executive Order.

Regulatory Flexibility Act

The amendments are not subject to the provisions of Pub. L. 96-354, the Regulatory Flexibility Act (5 U.S.C. 601-612), because publication of a notice of proposed rulemaking is not required by the Administrative Procedure Act (5 U.S.C. 551 *et seq.*), or any other law.

Drafting Information

The principal author of this document was Gerard J. O'Brien, Jr., Regulations Control Branch, Office of Regulations and Rulings, U.S. Customs Service. However, personnel from other Customs offices participated in its development.

INTERNATIONAL TRADE COMMISSION**19 CFR Part 210****Procedures for Investigations Involving Requests for Temporary Relief—Investigations of Unfair Practices in Import Trade**

AGENCY: International Trade Commission.

ACTION: Final rules; corrections.

SUMMARY: This document corrects final rules on procedures applicable to investigations of unfair practices in import trade that involve requests for temporary relief. The final rules and the explanatory comments thereto appeared at pages 35386-35388 in the *Federal Register* of Thursday, August 4, 1983 (48 FR 35386). The corrections are necessary to carry out the stated intent of the Commission that the final rules be identical to interim rules on the same subject published in the *Federal Register* on May 11, 1983 (48 FR 21112).

FOR FURTHER INFORMATION CONTACT: N. Tim Yaworski, Esq., Office of the General Counsel, U.S. International Trade Commission, 701 E Street, NW., Washington, D.C., telephone 202-523-0311.

The following corrections are made to the final rules appearing at pages 35387 and 35388 of the *Federal Register* of August 4, 1983:

1. Section 210.14(b) is corrected to read as follows:

§ 210.14 Commission action, public interest factor, and bonding.

(b) Unless otherwise ordered by the Commission or permitted by this subsection, the presiding officer shall not take evidence or other information or hear arguments from the parties and other interested persons with respect to the subject matter of paragraphs (a)(1), (a)(2), (a)(3), and (a)(4) of this section. However, with regard to settlements by agreement or consent order under § 210.51 (c) and (d), the parties may file statements regarding the impact of the proposed settlement on the public interest, and the presiding officer may in his discretion hear argument, although no discovery may be compelled with respect to issues relating solely to the public interest. Thereafter, the presiding officer shall consider and make appropriate findings in the initial determination regarding the effect of the proposed settlement on the public health and welfare, competitive conditions in the U.S. economy, the production of like or directly competitive articles in the United States, and U.S. consumers. With respect to initial determinations concerning temporary relief issued pursuant to § 210.53(b), the parties may present oral or documentary evidence regarding the impact of the requested temporary relief on the public interest, submit rebuttal evidence, and conduct such cross-examination as may be required for a full and true disclosure of the facts, and the presiding officer shall thereafter in his initial determination make appropriate findings regarding the effect, if any, that the issuance of the requested temporary relief would have on the public interest, although no discovery may be compelled with respect to issues relating solely to the public interest.

§ 210.24 [Corrected]

2. Section 210.24 is corrected by adding the sentence "A motion for temporary relief accompanying a complaint shall be forwarded to the presiding officer for decision in the form of an initial determination to be issued pursuant to § 210.53(b) of this part." at the end of paragraph (e)(1) of § 210.24. (19 U.S.C. 1337)

By order of the Commission.

Issued: September 27, 1983.

[Docket No. 75N-0013]

Polychlorinated Biphenyls in Paper Food-Packaging Material; Confirmation of Effective Date and Correction

AGENCY: Food and Drug Administration.

ACTION: Final rule; confirmation of effective date and correction.

SUMMARY: The Food and Drug Administration (FDA) is confirming the effective date for compliance with the final rule concerning a tolerance for polychlorinated biphenyls (PCB's) in paper food-packaging material. The agency is also correcting the preamble to the rule. Parties requested these corrections in letters dated August 25, 1983, and September 9, 1983, and the letters are in the docket to this rulemaking.

EFFECTIVE DATE: December 14, 1983.

FOR FURTHER INFORMATION CONTACT: Allen H. Heim, Office of Science Coordination (HF-8), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-443-1587.

SUPPLEMENTARY INFORMATION: In the *Federal Register* of August 16, 1983 (48 FR 37020), FDA announced settlement of the formal hearing in this final rule concerning a tolerance for PCB's in paper food-packaging material. The final rule permits the use of paper food-packaging material containing more than 10 parts per million (ppm) PCB's, if separated from food by a barrier that would limit PCB migration to the level that would result if no barrier were used and the PCB level in the packaging material were at the permitted level of 10 ppm. Any interested person could have, at any time on or before September 15, 1983, requested reconsideration by the Commissioner of Food and Drugs. No requests for reconsideration were received.
